FINE MOULDING

Welcome to the Roma Elite Collection

It is with immense pride that we present the Roma ELITE™ Collection. A symphony of precious materials with notes from a creative repertoire. Many talents have collaborated in the building of this collection. It is the masterful hands of Italy's celebrated artisans that have transformed creative designs into breathtaking works of art. It is this marriage of quality craftsmanship and innovation that has created the Made in Italy legacy for which Bellini Fine Moulding is renowned.
